Welcome to 35198 Cabrillo Dr in Central Fremont. This cute neighborhood is conveniently located near major freeways, high-tech companies (Facebook, Tesla), parks, shopping, and schools. This gorgeous, stylish, and happy house is ready for its new owner. Built around 1965 the house has 3 bedrooms & 2 bathrooms with living space of 1108 sq. ft. A well-maintained landscape and low maintenance back yard with fruit trees and vegetable garden is perfect for outdoor living and entertaining.

The living room has new and modern engineering hardwood floors. Plenty of natural light comes in from the large front window. The kitchen & dining room are conveniently separated by the kitchen counter. The kitchen is very well maintained with newer stainless-steel French-door refrigerator. The two bedrooms and master bedroom have plenty of natural light and are very quiet. The bathrooms are recently remodeled with Porcelanosa tiles, faucets, and showers, custom-made Demetra cabinets. **This pretty house is your new home to live and build years of happy memories for generations to come!**
