PRESENTS

812 Wake Forest Dr., Mountain View, CA 94043

This gorgeous, updated single family home is centrally located in the heart of the Silicon valley with easy access to freeways, public transportation, downtown restaurants and shopping, walking/bike distance to Google, parks, and trails. Great Mountain View schools. Updated contemporary kitchen with quartz countertops, stainless steel appliances and stylish cabinets. Spacious living room with laminate floors and open beam ceilings. Dual windows. Updated bathroom with shower over tub. Tankless-water heater, laundry in the garage. Beautifully landscaped both front and backyard, plenty of room for future expansion. Great starter home!
